Opportunities to support the Southern California Traffic Officers' Association and its mission are available at all levels. Spectators welcome!

The Mission of the Southern California Traffic Officers' Association is to assist officers who are injured or killed in the line of duty and their families, be a resource for traffic related training to law enforcement personnel and to organize and provide a venue for motor skills competition, camaraderie and esprit de corps. The Southern California Traffic Officers' Association is a 501(c)(3) charitable organization.
